## **Conflict of Interest Disclosure Form**

Members of the Board of Directors of Milk Processor Education Program have an obligation to disclose potential conflicts of interest which they may have regarding any matters which may come before the Board.

The term "conflict of interest" means a situation in which financial considerations may compromise or appear to compromise a Member's independent judgment. An actual or potential conflict of interest occurs when a Member would be required to make a decision that would affect the financial interests of the Member, a member of his or her household, or a business with which he or she is associated.

Please complete this Conflict of Interest Disclosure Form by disclosing any financial interests which may create an actual or potential conflict of interest. Please note that Members are obligated to supplement this Form on an ongoing basis to disclose any potential conflicts of interest at such time that a potential conflict arises.
